For the attention of The Quality Manager

Dear Sir/Madam

Subject: Westland Helicopters Limited (WHL) Supplier Approval

We are pleased to advise you that you have been approved as a supplier to Westland Helicopters Ltd.

Please find enclosed an Approval Data sheet which defines the type and scope of approval for products and/or services you may supply. If any of the details are erroneous, please inform your contact in WHL Procurement as a matter of urgency.

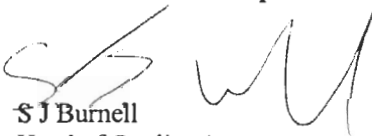

If an 'HP-' specification is included in the approval, this is for the manufacture of parts for the WAH-64 UK Apache helicopter, in furtherance, either directly or indirectly, of a Westland order. Processes shall only be performed in accordance with that detailed under the DESCRIPTION column. 'HP-' specifications are the property of Boeing/McDonnell Douglas Helicopter Systems (MDHS) and authority for the approval is through procedure WHPS 655.

This approval letter may be re-issued from time to time to reflect any changes to your type and scopes of approval.

The approval is at all times conditional upon your company's continued compliance with the WHL Purchase Order requirements.

Yours faithfully

For Westland Helicopters Limited

S J Burnell
Head of Quality Assurance
